# Instructions for Making a Coupon Book

1. Get the paper you want to use for the coupons.
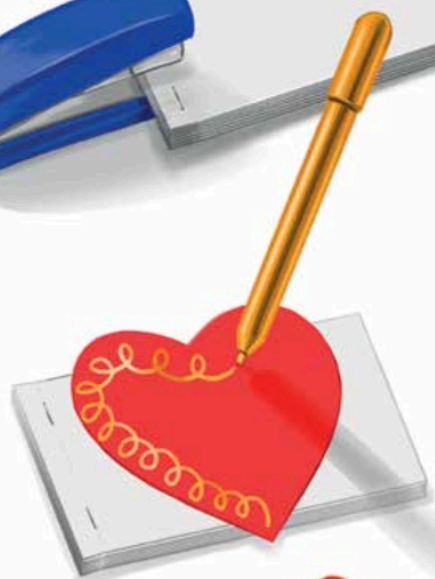

2. Use the template on the opposite page and copy or trace for your pattern.

3. Cut out 14 pages, seven for each booklet.

4. On each coupon page, you can put something special to do with your parent or do for them.

5. Use the pattern again to cut out the booklet covers and decorate for Valentine's.

6. Staple each booklet together.
